Foreword from the Chairman

This document sets out the principles and formal arrangements for governance across the REAch2 Academy Trust. As a charitable Trust we are accountable for:

- the educational outcomes and welfare of more than 15,400 children;
- the livelihoods of more than 3,500 employees;
- the prudent management of approximately £100 million of tax payers' money each year; and
- the stewardship of public buildings and land worth £250 million.

The quality and effectiveness of our governance is pivotal to ensuring all of those resources are used most effectively in delivering exceptional learning opportunities for children and best value to the tax payer.

At the heart of governance in a charity like REAch2 is the non-executive team. By non-executive, I refer to those of us who volunteer. We bring our experiences and judgement and accept accountability not for personal material benefit but for the greater public good and in particular to improve the life chances of the pupils in our schools. This year, that team of REAch2 volunteers will consist of 312 Local Governing Body (LGB) governors; 24 Regional Ambassadors; and 9 Multi-Academy Trust (MAT) trustees. This is a remarkable testament to the charitable and community-minded generosity of those of you that have agreed to serve as part of the governance team of the Trust.

The law places accountability for the educational outcomes and financial diligence of the Trust firmly with the Trustees and the CEO as Accounting Officer. However, a fundamental principle for us is that effective governance is best delivered as close as possible to the point of impact of decisions. For this reason we have developed a governance structure that delegates significant accountability to our LGBs. By December 2015, we will have 52 of these bodies; providing the overview and scrutiny of the management and governance of 52 academies is a large task for a single Trust Board to manage so we have created four Regional Boards to carry out that function. The Regional Boards are about much more than overview and scrutiny though; they are also to be a conduit for effective dialogue between all of the elements of governance in the Trust and to facilitate the voice of parents, pupils and staff in shaping the on-going development of the Trust. We want the Regional Boards to champion their schools and this is why we are calling those non-executive colleagues 'Regional Ambassadors'.

The purpose of this document is to provide clarity on the structure by which the different elements of governance work together for the benefit of the whole Trust. REAch2 is pioneering this approach to regional governance of a large MAT. We have based our model on the lessons learnt over the last three years as we have grown, but I have no doubt we will have further lessons to learn over the year as we turn this model into effective governance in practice. We will review the detail of these governance arrangements next summer as a family of governors: LGB Governors, Regional Ambassadors and Trustees.

Thank you for your contribution to this crucial work.

REAch2 Governance Charter

REAch2 is a charitable voluntary organisation which relies on the valuable input of a considerable number of non-executive volunteers, supported by an experienced team of staff. Due to the size of the organisation and the number of schools for which it is responsible, coupled with its drive for accountability, it is also a complex organisation with various important elements of governance.

Principles

1. The REAch2 Charter sets out the fundamental principles of the organisation and lays down the rules for its governance. The Charter consists of the principles set out here, the Academy Trust Articles of Association and the detail set out in the Roles and Functions Matrix and Terms of Reference.
2. The governance principles of REAch2 recognise the importance of developing relationships with common purpose and they are about developing processes and structures.
3. We will continue to develop our governance arrangements to shape and take account of best practice in the sector. The '21 questions that every Multi-academy Trust should ask itself' (January 2015; see Annex 1), set out by the All Party Parliamentary Group on Education Governance and Leadership, provide a foundation by which we will assess the effectiveness of our governance.
4. Financial governance must, as a foundation, be compliant with the principles and regulations set out in the Academies Financial Handbook. REAch2 aims to go beyond this foundation to provide excellence in its governance.
5. Governance is underpinned by a common understanding about who is responsible for providing valuable input to decision making and who has the decision-making responsibility.
6. Effective governance in our large Academy Trust is supported by the following:
 - a. Trust Members – the guardians of the constitution
 - b. Trust Board – the Directors / Trustees
 - c. Trust sub-committees
 - d. Regional Boards and their sub-committees – including the Regional Ambassadors
 - e. Local Governing Bodies – the Local Governors
 - f. The Executive Team - the Chief Executive Officer (the CEO), the Deputy CEO, Finance Director and Business and Policy Director (together the Executive Leaders) and their respective teams.
7. The Trust Board has overall responsibility and ultimate decision-making authority for all the work of the Academy Trust, including the establishment and maintenance of the Academies.

8. Regional Boards have three key functions:
 - a. Provide regional overview, scrutiny and challenge of academy education and financial performance;
 - b. Support regional locality forums for academy leaders and governors to shape and influence Academy Trust thinking; and
 - c. Ensure an effective flow of communication between the Local Governing Bodies, Regional Boards and the Trust Board.
9. The governance of each Academy shall be delegated to the relevant Local Governing Body.

Vision and Values: *"Exceptional opportunities for learning"*

The shared vision and values of REAch2 and all the Academies underpins the governance arrangements of the Academy Trust.

REAch2 fully supports the independence and distinguishing characteristics of each of the Academies. REAch2 seeks to provide a level of autonomy proportionate to the success of the Academy, which together with a focus purely on primary schools, is what gives REAch2 its distinctiveness.

Recognising the value of collaboration and the advantage of a public association, REAch2 will provide a voice on national issues affecting the Academy Trust and our academies, helping to communicate the Academy Trust's needs and concerns to those responsible for the funding and regulation of publicly funded schools.

REAch2 has a commitment to supporting the schools within the REAch2 family for the benefit of the communities served by the schools. REAch2 expects academies to work together in the spirit of solidarity. The relationship between the Academy Trust, Regional Boards and Local Governing Bodies is one of partners sharing a common goal, drawing on each other's strengths in order to overcome any weaknesses and respond robustly to any challenges.

REAch2 is the Cornerstone of the entire Academy Trust: providing a strong, responsible foundation from which every academy develops and grows. A cornerstone provides a subtle yet crucial role in a building; in the same way, the Trust ensures REAch2 is a trustworthy, reliable and inspirational organisation, delivering the best possible learning experiences.

As an Academy Trust we are committed to creating a culture that strongly reflects our Touchstones: seven principles, which make our academies unique: inclusion, learning, leadership, enjoyment, responsibility, inspiration and integrity.

Our Local Governing Bodies are the champions of our values in our Academies.

Accountability for decisions

The Trust Board delegate authority to three key groups in order to ensure the effective leadership and governance of the Academy Trust. The three key groups are:

- Executive leadership and management team (the Executive Team);
- Regional Boards;
- Local Governing Bodies.

The relationship between the Trust Board and the Executive Team, the Regional Boards and the Local Governing Bodies is characterised as a partnership to realise a common vision and a common purpose. In the case of the Regional Boards and the Local Governing Bodies the relationship between the three tiers of governance is also based on the principles of:

1. no duplication of governance.
2. governance should be as close as possible to the point of impact of decision-making.

The Terms of Reference and the Roles and Functions Matrix provides clarity as to who the decision makers are for different levels of decisions. Effectiveness of both management and governance is supported through clarity over who holds the decision-making responsibility and who supports and advises the decision makers. The use of the 'Bain RAPID' tool, described in Appendix 2, will underpin the relationships developed at different levels of governance and management to ensure effective and efficient decision making.

Intervention

The Trust Board remains ultimately responsible for the Academy Trust and the conduct of the Academies. The operation of the various elements of governance outlined in this Charter are crucial to the success of the group. However, there will be circumstances (more the exception than the norm) where the Trust Board might need to intervene and, for example, withdraw delegated authority a particular element of governance.

In such circumstances, the Trust Board, along with the Executive Team, would work closely with any Academies concerned and those involved in their governance who would be expected to promptly implement any advice or recommendations made by the Trust Board and the Executive Team.

The Trust Board reserves the right to review or remove any power or responsibility which it has delegated, in particular, in circumstances where serious concerns in the running of an Academy (or Academies) are identified, including where:

- there are concerns about financial matters;
- insufficient progress is being made against educational targets (including where intervention by the Secretary of State is being considered or carried out);
- there has been a breakdown in the way the Academy is managed or governed; or
- the safety of pupils or staff is threatened, including a breakdown of discipline.

Overview of key elements of our governance

Members

REAch2 has “**Members**” who are best viewed as guardians of the constitution, changing the Articles if necessary and ensuring the charitable object is fulfilled. The Members appoint some of the Trustees and can exercise reserve powers to appoint and remove Trustees but it is anticipated that this power will be rarely exercised. The Academy Trust will ordinarily have at least five Members.

Trust Board

The corporate management and trustee responsibility for the actions of the company is vested in the “**Trustees**” of the Academy Trust (together, referred to as “the **Trust Board**”), who are company directors registered with Companies House. The Trustees are personally responsible for the actions of the Academy Trust and the Academies and are accountable to the Members, to the Secretary of State for Education and to the wider community for the quality of the education received by all pupils of the Academies and for the expenditure of public money. The Trustees are required, as trustees and pursuant to the

Funding Agreements, to have systems in place through which they can assure themselves of the quality, safety and good practice of the affairs of the Academy Trust.

The role of the Trust Board is reflected in the '21 questions that every Multi-academy Trust should ask itself' identified by the All Party Parliamentary Group on Education Governance and Leadership (January 2015) and set out in Appendix 1 of this Charter:

- Setting the vision, ethos and strategy for the Academy Trust and its academies over the next three to five years;
- Establishing the governance structures for the Academy Trust, from Members to Academy level, in keeping with the Articles of Association;
- Providing clarity, through the published Terms of Reference and the Roles and Functions Matrix, of the level at which the following governance functions are exercised:
 - determining each individual Academy's vision, ethos and strategic direction
 - recruiting each Academy's Headteacher
 - performance management of each Academy's Headteacher
 - determining Human Resources policy and practice
 - oversight of each Academy's budget
 - assessment of the risks for each Academy.
- Setting the level at which the Regional Boards and LGBs will have authority and accountability through the scheme of delegation;
- Engaging with the Academies' communities, parents, pupils and staff;
- Contributing to developing collaborative relationships beyond the Academy Trust;
- Ensuring that there is a strong and effective executive leadership structure and personnel in place across the Trust;
- Overview and scrutiny of Academies' education performance data;
- Overview and scrutiny of the Academy Trust's financial capability and management systems to ensure compliance with the Academies Financial Handbook, and deliver best value for money;

- Ensuring senior leaders within Academies are challenged to improve the education of pupils;
- Developing the Trust Board to ensure that it has the capacity, skills and succession plans to have a positive impact on outcomes for pupils.

The Trust Board sets Trust-wide policy.

Regional Board Chairs will attend Trust Board meetings as advisors to the Board in order to improve effective governance and partnership at all levels of the organisation.

The Board will carry out a regular skills audit of its Trustees. Where key skills are missing on the Board, expertise will be procured to support the challenge and scrutiny of specialist areas such as human resources or educational performance.

Trust Board Sub-Committees

Trust Board Sub-Committees will provide the overview and high-level scrutiny of the prioritised risks and regional overview provided by each of the Regional Boards. The principle of 'no duplication of governance' requires a clear differentiation of the nature of the scrutiny and challenge provided by the Trust Board Sub-Committees of each region's contribution to the overall performance of the Academy Trust. This compares with the Regional Board's scrutiny of each individual academy's contribution to regional performance.

The Trust Board Sub-Committees will be:

- Educational Standards and Performance
- Finance
- Human Resources
- Risk and Audit.

The Finance Sub-Committee shall establish a remuneration committee for determining senior executive salaries and performance criteria. Senior executives include the CEO and any member of the Executive Team that reports directly to the CEO. The CEO (or managers with the CEO's delegated authority) determines salaries of all other employees, subject to the overall budget limits and pay policy approved by the Trust Board.

Executive Team

The REAch2 “**Executive Team**” is the executive management arm of the Academy Trust, focusing on operations and the educational performance of the Academies. They operate under the leadership and direction of the CEO, who is by virtue of his position a Trustee of the Academy Trust. The Executive Team work directly with the staff in each Academy and both the Regional Boards and the Local Governing Bodies to ensure that the required outcomes are achieved in accordance with the direction and vision of the Trust Board.

Regional Boards

Four Regional Boards, through the Terms of Delegation and the Roles and Functions Matrix, provide the overview, scrutiny and performance challenge of the Academies and Local Governing Bodies in their region. Non-executive Regional Ambassadors provide the appropriate skills and experience to provide effective support and challenge in the four areas of scrutiny: educational standards and performance; finance; HR; risk and audit.

The Regional Boards have a fundamental role to play in developing and maintaining positive relationships and common purpose with Local Governing Bodies. This is in parallel with the role of the Regional Executive Principal led regional teams who will develop and maintain those relationships and common purpose with the individual academy management teams.

Forums

Each of the Regional Boards will support a Headteacher Forum and a Chairs of Local Governing Bodies Forum. The purpose of the Forums is to:

- promote the values of independence and interdependence;
- build relationships;
- generate new ideas;
- influence policy development; and
- provide a starting point for consultation.

The Regional Boards, in consultation with Headteachers and Chairs of Local Governing Bodies, will determine the most effective methods of establishing and managing the forums. For example, forums may be established on a regional basis and/or on a smaller locality basis. Forums will be Chaired by elected representatives from amongst their membership to

encourage freethinking and honest debate without constraint or any perceived need to tell senior staff or Trustees 'what they want to hear'.

The Regional Boards contribute to the effectiveness of the Academy Trust by 'knowing' and being champions of their Academies.

Local Governing Bodies (LGBs)

The role of a Local Governor within a Multi-Academy Trust is an important one. In developing our governance arrangements, the Trust Board has sought to ensure that the responsibility to govern is vested in those closest to the impact of decision-making and that such responsibility matches the capacity of those assuming responsibility. In conjunction with the Regional Boards, the Trust Board establishes Local Governing Bodies for each of the Academies, for the most part made up of individuals drawn from the Academy's community, both as elected and appointed members.

The Local Governors are accountable to the Regional Board and the Trust Board (who in turn is accountable to the Department for Education) as well as to the communities they serve.

The broad duties of the Local Governing Body are summarised as:

- To contribute to and fulfil the vision and ethos of REAch2 in so far as it relates to the Academy, ensuring that the Academy achieves the aims and ambitions it has for its pupils, having regard in particular to the benefits of being part of a family of schools which stresses the importance of collaboration and mutual support;
- To implement and review from time to time the strategic plan for the Academy, focussing on the Academy's performance and achieving sustained school improvement and having regard to any locally agreed priorities identified by the Trust Board;
- To act as a critical friend to the Academy's senior leadership team, being ready to challenge and hold senior leaders to account for all aspects of the Academy's performance;
- To oversee the management of the finances of the Academy, assessing the annual budget prepared by the Academy's Headteacher (with the support of the Academy's senior leadership team) and submitting such for approval by the Regional Board and the Trust Board, ensuring that the Academy works within its budget and the Academy's senior leadership team adopts and implements appropriate risk and financial management policies and practices;

- To support the Trust Board in ensuring that insurance or equivalent risk protection is put in place and maintained for all risk areas including damage to property, employer liability, public and third party liability and director liability in accordance with any policy issued by the Trust Board from time to time;
- To support the Academy's Headteacher in the development and review (from time to time) of an appropriate staffing structure for the Academy, ensuring there is robust and accountable monitoring of the performance of staff and implementing all and any policies relating to staff adopted by the Trust Board;
- To support the Trust Board in its monitoring and evaluation of the delivery of any central services and functions provided or procured by the Academy Trust for the Academies, reporting any issues or concerns to the Regional Executive Principal and, if necessary, the CEO, the Chair of the Regional Board or the Chair of the Trust Board;
- To promote within the organisation and externally the benefits of collaboration with the other Academies and to actively seek opportunities to work together either with the aim of improving economic efficiencies within the Academies or identifying and implementing best practice;
- To develop effective links within the Academy's community, communicating openly and frequently as appropriate and ensuring that the Academy meets its responsibilities to the community and serves the community's needs in relation to the safeguarding and education of its pupils; and
- To engage fully and openly with any inspection of the Academy, whether by the Trust Board, Ofsted or any other appropriate public body to whom the Academy is accountable.

Pupil, parent and staff voice

Accessing and responding to pupils' collective concerns is an important part of the operations and governance of REAch2 academies. All schools have active Pupil Councils with representatives from each year group. Each LGB is expected to give due regard to issues that are raised through the Pupil Council and the management actions taken in response to the issues.

Parental voice is formally built into the governance structure with the election by parents of two parent Governors to each LGB. Staff voice is similarly built into the governance structure with the election to each LGB of two employees of the Academy (usually one teacher and one non-teaching staff member) by employees of the Academy.

As a Trust we will consider what further mechanisms for pupil, parent and staff representation at other governance levels may be appropriate.

<http://www.nga.org.uk/getattachment/News/NGA-News/21Q/21-Questions-for-Multi-academy-Trusts-FINAL.pdf.aspx>

Vision, ethos and strategy

1. Does the Trustee Board have a clear vision and strategic priorities for the next three to five years, to which all academies contribute and which is understood by each of its academies?
2. How effectively do these strategic priorities drive the governance structure, activities and agenda setting at all levels of the Trust?
3. What vision does the Trustee Board have for the size of the Trust and how does the strategy ensure that there is the capacity to support any additional academies well?

Governance structures

4. Is the structure of the Trust from its members to academy level governance conducive to effective working, ensuring check and balances but avoiding duplication at different levels, and delivering good two-way communications?
5. How does the Trustee Board ensure that its governance structure is clear, in keeping with its Articles of Association, and that those at regional, cluster and academy level understand their roles and responsibilities compared to those of the Trustee Board?
6. a) Does the Trustee Board have a scheme of delegation, is it published on its website and those of its academies, and does the scheme make clear where the following key governance functions are exercised:
 - Determining each individual academy's vision, ethos and strategic direction?
 - Recruiting each academy's Principal/Head of school?
 - Performance management of each academy's Principal/Head of school?
 - Determination of Human Resources policy and practice?

- Oversight of each academy's budget?
- Assessment of the risks for each academy?

b) Is the principle of earned autonomy applied to individual academies or local clusters and if so, do all involved at all levels of governance within the MAT understand how?

Trustee Board effectiveness and conduct

7. **Right skills:** Has the Trustee Board adopted a robust and transparent process for the recruitment both of trustees and those at local governance level, including role specifications, skills audits and interview panel to ensure those carrying out governance functions have the full range of experience, qualities and skills necessary to discharge all the Trustee Board's responsibilities?
8. **Clerking:** Does the Trustee Board have a professional clerk providing information and guidance on regulatory practice and procedures, including governance leadership to the committees and any academy level governance?
9. **Chair:** How does the Trustee Board ensure the chair shows strong and effective leadership?
10. **Trustee performance:** Does the chair carry out an annual review of each trustee's contribution to the Board's performance and ensure each trustee is investing in his/her own development?
11. **Succession planning:** Do we engage in good succession planning so that, in normal circumstances, no trustee serves for longer than two terms of office and the chair is replaced at least every six years?
12. **Conflicts of interest & conduct:** How does the Trustee Board ensure conflicts are avoided and that the Nolan principles of public life are adhered to?
13. **Learning from others:** Has the Trustee Board regularly reviewed its structures and practice, making use of other Boards' experiences and periodically seeking external expertise?

Engagement

14. How does the Trustee Board listen to, understand and respond to pupils, parents, staff and local communities across all its academies?

15. What benefit do the academies within the Trust draw from collaboration with other schools and other sectors, including employers, locally and nationally; and how is the Trust involved in contributing to improving leadership and schools beyond its own academies?

Effective accountability of the executive leadership

16. How well does the Trustee Board understand its academies' performance data, and how do Trustees know that pupils in all their academies are making the best progress they can?

17. What mechanisms does the Trustee Board use to ensure there is a strong and effective executive leadership structure and personnel in place across the Trust with the right skills, clear line-management and reporting mechanisms?

18. How does the Trustee Board ensure senior leaders within academies are challenged to improve the education of pupils, and what intervention would be used if improvement is not progressing according to plan at an academy?

19. How does the Trustee Board ensure that the Trust's financial capability and management systems are robust to ensure compliance with the Academies Financial Handbook, best value for money and deliver the long-term strategy?

20. Do the compliance systems give assurance to the Trustee Board that the Trust is meeting its statutory and legal responsibilities?

Impact on outcomes for pupils

21. How much have the academies improved over the last three years, and what has the Trustee Board's contribution been to this?

Appendix 2 - RAPID®: Bain's tool to clarify decision accountability

<http://www.bain.com/publications/articles/RAPID-tool-to-clarify-decision-accountability.aspx>

“Decisions are the coin of the realm in business. Every success, every mishap, every opportunity seized or missed stems from a decision someone made—or failed to make. Yet in many firms, decisions routinely stall inside the organization—hurting the entire company's performance.

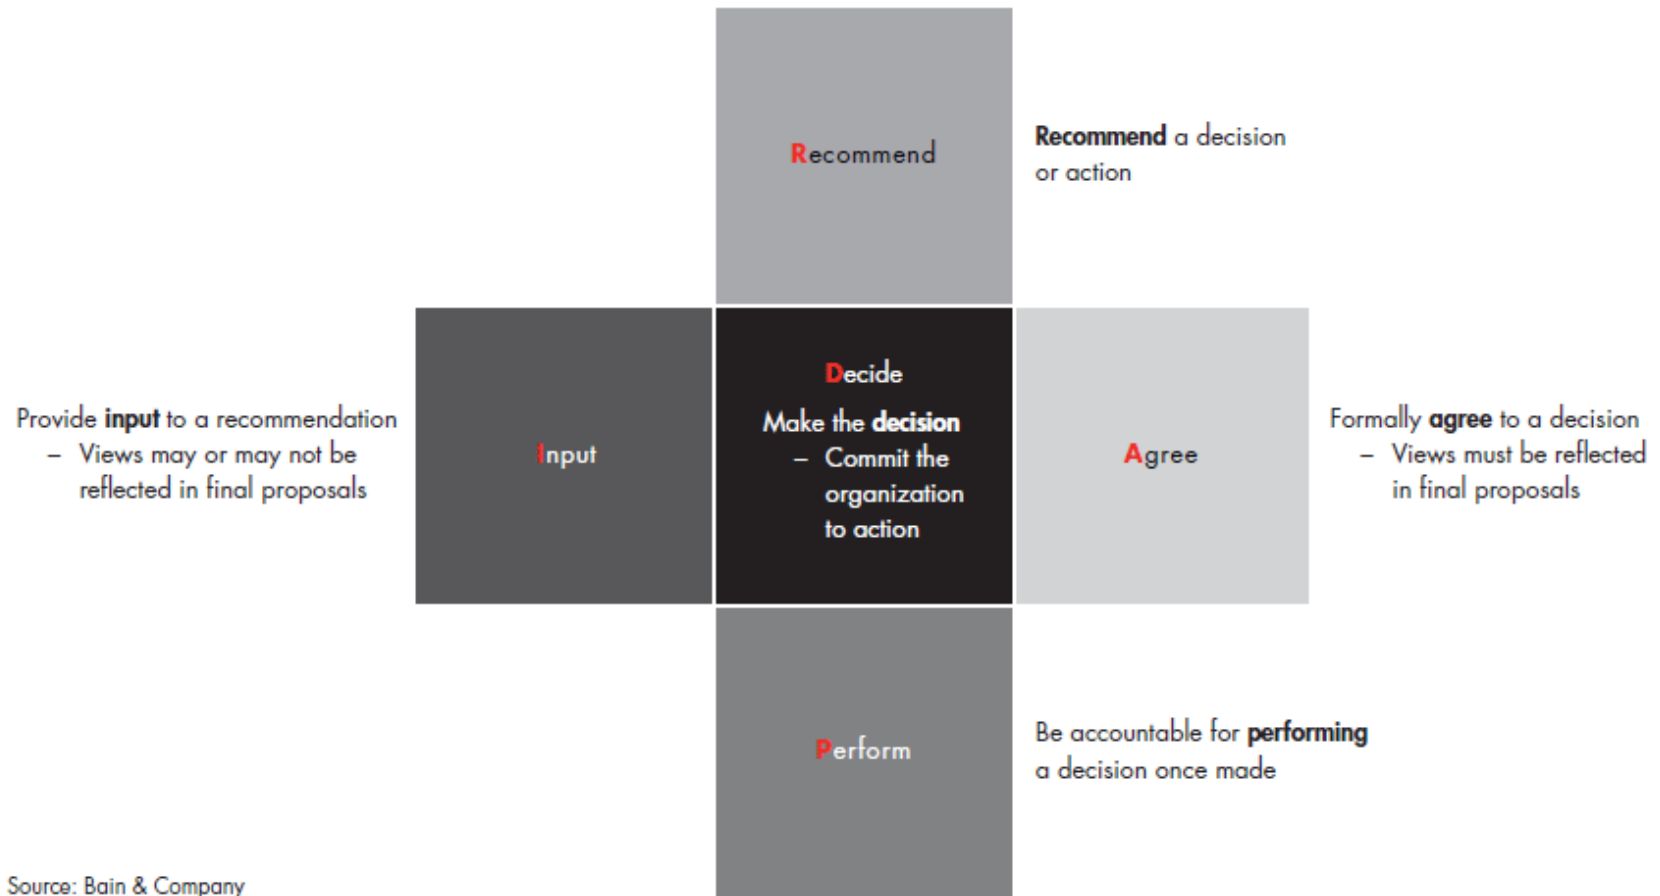

The culprit? Ambiguity over who's accountable for which decisions. In one auto manufacturer that was missing milestones for rolling out new models, marketers and product developers each thought they were responsible for deciding new models' standard features and colors. Result? Conflict over who had final say, endless revisiting of decisions—and missed deadlines.

How to clarify decision accountability? Assign clear roles for the decisions that most affect your firm's performance—such as which markets to enter, where to allocate capital, and how to drive product innovation. Think "RAPID® ": Who should recommend a course of action on a key decision? Who must agree to a recommendation before it can move forward? Who will perform the actions needed to implement the decision? Whose Input is needed to determine the proposal's feasibility? Who decides—brings the decision to closure and commits the organization to implement it?

When you clarify decision roles, you make the *right* choices—swiftly and effectively.

To address this common problem, Bain, created RAPID®, a tool to clarify decision accountability. A loose acronym for Input, Recommend, Agree, Decide and Perform, RAPID® assigns owners to the five key roles in any decision.”

“If managers suddenly realize that they’re spending less time sitting through meetings wondering why they are there, that’s an early signal that companies have become better at making decisions. When meetings start with a common understanding about who is responsible for providing valuable input and who has the **Decision making responsibility**, an organization’s decision-making metabolism will get a boost.”

Governance elements in more detail

Members: general guidance

The Members of the Academy Trust are the equivalent of the shareholders in a commercial company (save that they do not receive dividends). In simple terms the Members "own" the Academy Trust. They have a number of statutory rights and rights set out in the Academy Trust's Articles of Association (the **Articles**).

The Academies Financial Handbook (September 2015) issued by the Education Funding Agency ("EFA") provides as follows:

- Members have an overview of the governance arrangements of the trust.
- Members can amend the articles and may do so to support stronger governance arrangements.
- While members can be trustees, retaining some distinction between the two layers ensures that members, independent of the trustees, provide oversight and challenge - this is especially important in multi academy trusts in which trustees are responsible for a number of academies.
- Academy trusts should be established with three member, although DfE encourages trusts to have at least five members in total, as this:
 - Ensures enough members to take decisions via special resolution (which requires 75% of members to agree) without requiring unanimity; and
 - Facilitates majority decisions being taken by ordinary resolution (which requires a majority of members to agree).
- Members must not be employees of the academy trust.
- The appointment of any new Member must be notified to EFA (via the Information Exchange) within 14 days of the appointment.
- The appointment and resignation/removal of Members does not need to be notified to Companies House.
- The Academy Trust's statutory books/registers should include a register of Members, which should be kept up-to-date particularly on appointment and removal/resignation.

REAch2 Trust Board: Terms of Reference

1 Core values

The Board of REAch2 will at all times:

- observe the highest standards of impartiality, integrity and objectivity in relation to the governance of REAch2;
- be accountable to its stakeholders and regulatory bodies for its activities;
- engage in a partnership with the Executive Team.

2 Expectations of REAch2 Trustees

All Trustees are required to:

- follow the Seven Principles of Public Life set out by the Committee on Standards in Public Life (referred to as "the Nolan Principles" and set out in Annex 1);
- comply with:
 - the Articles of Association,
 - these terms of reference,
 - the scheme of delegation to the Executive Team,
 - the conflicts of interest policy,
 - the code of practice appended at Annex 2 of these terms of reference.
- ensure they understand their duties, rights and responsibilities, and that they are familiar with the function and role of REAch2;
- not misuse information gained in the course of their Trusteeship for personal gain, nor seek to use the opportunity of service to promote their private interests or those of connected persons, firms, businesses or other organisations;
- participate actively in the induction process and any relevant training.

3 Powers, functions and responsibilities of Trustees

The Trustees are responsible for the governance and supervision of the Academy Trust and its committees (including the Regional Boards and the Local Governing Bodies).

The Trustees have a number of duties and responsibilities relating to the governance of the Academy Trust and its finances. In summary, the Trustees are responsible for:

- establishing the vision, mission and values for the Academy Trust;
- carrying on the Academy Trust in accordance with the objects of the Academy Trust as set out in the Articles of Association and safeguarding the assets of the Academy Trust;
- designing strategy and structure for the operation of the Academy Trust;
- the delegation of the running of the Academies and the direction of the education, pastoral care, financial and other policies of the Academies to the Executive Team;

- ensuring sound management and administration of the Academy Trust by the Executive Team, and ensuring that the Executive Team is equipped with the relevant skills and guidance;
- financial controls and the financial management of the Academy Trust in accordance with the provisions of the Academies Financial Handbook, which sets out in detail provisions for the financial management of the Academy Trust;
- setting standards of conduct and values, monitoring performance and the achievement of objectives, and ensuring that plans for improvement are acted upon;
- risk management, that is identifying, quantifying and devising systems to minimise the major risks affecting the Academy Trust; and
- ensuring the Academy Trust and the Academies are conducted in compliance with the general law.

4 Accountability of Trustees

The Trustees are chiefly accountable to:

- the beneficiaries of the Academy Trust (pupils at the Academies, their parents and the local community) for the quality of education and pastoral care at the Academies, for matters of health and safety and for safeguarding and promoting the welfare of the pupils;
- the DfE, the Education Funding Agency and specifically the Secretary of State under the terms of the Funding Agreement;
- the Secretary of State (in his or her role as principal regulator in respect of charity matters) for operating the Academy Trust for the public benefit, for the prudent management of the Academy Trust and its financial efficiency, and for compliance with legislation including charities legislation;
- the employees of the Academy Trust for their working environment, and for compliance with the contract of employment and employment law requirements and matters of health and safety; and
- other regulatory authorities for compliance with regulated responsibilities to which the Academy Trust and the Academies are subject.

5 Conducting Trustees' business

The Trustees are required to:

- act together and in person and not delegate responsibility of the Academy Trust to others;
- act strictly in accordance with the Articles;
- act in the Academy Trust's interests only and without regard to their own private interests;
- manage the Academy Trust's affairs prudently;
- not take personal benefit from the Academy Trust unless expressly authorised by the Articles or the Charity Commission; and
- take proper professional advice on matters on which they are not themselves competent.

The Trustees should also hold the Executive Team to account. They should offer support, constructive advice, be a sounding board for ideas, a second opinion on proposals and help where needed, but will also challenge, ask questions, seek information and improve proposals where appropriate and at all times act in the best interests of the Academy Trust.

The Trustees shall have regard to the framework for inspecting schools in England under section 5 of the Education Act 2005 (as amended) issued by the Office for Standards in Education, Children's Services and Skills (Ofsted).

The duties and responsibilities of Trustees are explained in further detail in *The essential trustee: what you need to know, what you need to do (CC3)* (Charity Commission, July 2015) and in the *DfE Governors Handbook (January 2015)*.

The Trustees shall have regard to the Academies Financial Handbook, which shall be circulated to all Trustees.

6 Chair of Trustees

The Board shall appoint an individual from among their number to act as Chair. A change of Chair will require a notification to be made to the DfE, including a Disclosure and Barring Service (DBS) disclosure form to be submitted via the DfE.

The main role of the Chair is to chair meetings of the Trust Board. He or she also provides leadership to the Trustees and acts as the main point of contact between the Trustees and the Executive Team.

Apart from any special responsibilities or powers given to the Chair in the Articles of Association (e.g. the right to chair meetings of the Trust Board and to have a second or casting vote in any case of an equality of votes at a meeting of the Trust Board), the Chair has no special powers or rights over any other Trustee. If the Chair is to carry out certain specific functions (for example, the power to approve an overspend in a certain area of the budget or the CEO's appraisal) then this must be expressly delegated to him by the Board.

7 Meetings of Trustees

There will be a minimum of three meetings of the Trustees each academic year. Meetings of the Trustees shall be convened and conducted as provided by the Articles.

In determining the agenda for Board meetings and committee meetings, the Trustees will have regard to the requirement on them to:

- ensure good financial management and effective internal controls;
- comply with the Funding Agreement and the current version of the Academies Financial Handbook (or successor documents);
- receive and consider information on financial performance at least three times a year; and
- take appropriate action to ensure ongoing viability against agreed budgets.

In consultation with the Chair, the Clerk to the Trust Board shall prepare an annual plan for the meetings of the Trustees.

8 Delegation of powers of Trustees

Trusteeship (and directorship which necessarily follows) is a personal office of trust and responsibility and this cannot be transferred to another individual. However, in order to ensure the proper management of the Academies, the Trustees are able to delegate specific tasks to assist them in carrying out their duties and obligations.

It is for the Trust Board to determine what decisions it will take for itself, what will be delegated to committees, working groups or individual Trustees (e.g. the Chair) and what will be delegated to the Executive Team. The Trustees must also consider when and from whom they should take professional advice.

In determining whether delegation is appropriate, the Trustees will have regard to the following principles:

- non-executive powers must be exercised by the Trustees personally and may not be delegated;
- except when it is impracticable to do so, executive powers should be delegated to the Chief Executive Officer and Director of Finance, who may authorise further delegation; and
- every act of delegation is only a delegation of powers and does not relieve the Trustees of responsibility.

The Trustees must not delegate any of their powers listed in Annex 3 ("the Reserved Matters").

Delegation can be made to:

- Board committees including the following committees:
 - Finance,
 - Risk and Audit,
 - HR and
 - Education Standards and Performance.
- the Regional Boards
- the LGBs;
- any individual Trustee;
- the Executive Team (which in turn may delegate to further individuals).

9 Stakeholder voices

Trustees are asked to have regard to the voices of their various stakeholders and to put in place arrangements to receive feedback and to respond appropriately. This shall include the following, as they are involved in other elements/tiers of trust governance and more broadly:

- a) Pupils
- b) Parents
- c) Staff.

10 Risk management

The charities statements of recommended practice ("the SORP") set out requirements for reporting on the risks to a charity.

The Trustees' report therefore must include a description of the principal risks and uncertainties facing the Academy Trust and any subsidiary undertakings, as identified by the Trustees. The report must also include a summary of the Trustees' plans and strategies for managing these risks. The Trustees must identify specific risks and describe ways to combat each one, rather than making general statements regarding risk management.

The Trustees are therefore responsible for:

- identifying the major risks that apply to the Academy Trust, including:
 - operational risks (employment issues, health and safety, fraud, service quality and development etc.);
 - financial risks (accuracy of financial information, cash flow, reserves, over-reliance on funding sources etc.);
 - external risks (changes in government policy, economic factors, demographic changes, adverse publicity etc.); and
 - regulatory risks (compliance with legislation, changes in policies of the regulators etc.).
- making decisions (based where appropriate on advice from professional advisors) as to how to respond to those risks; and
- making appropriate statements regarding the management of risks in the annual report.

The Risk and Audit Committee, supported by the Executive Team, shall prepare a risk register for approval by the Trustees, along with a procedure by which the risk register shall be subject to regular review. The risk register shall have named individuals assigned to manage each area.

11 The management of conflicts of interest

The Companies Act 2006 imposes a statutory duty on the Trustees to avoid situations in which they have or could have an interest, which conflicts (or could conflict) with the interests of the Academy Trust. The duty is to:

- a) declare the nature and extent of any interest in any matter relating to the Academy Trust; and
- b) avoid any conflict of interest between that interest and the interests of the Academy Trust.

In addition, charity law and guidance issued by the Charity Commission confers obligations on the Trustees to manage any conflict between a Trustee's duty to the Academy Trust and their own personal interests or for a Trustee to be influenced by conflicting duties to the Academy Trust and a third party.

Further details are set out in the Conflicts of Interest Policy with which the Trustees are obliged to comply.

12 Recruitment of Trustees

It is essential that the Trust Board has a proper mix of skills and experience. The Trustees must therefore be able to identify potential new Trustees in order

to plan for succession, which combines continuity of experience and expertise with new ideas and energy.

The Board as a whole is responsible for ensuring that:

- the skills of any new Trustee fit in with the Academy Trust's requirements in the short, medium and longer term;
- each new Trustee is not disqualified from acting as a Trustee by any provision of the Academy Trust's Articles of Association (including the requirement that he is not disqualified as a company director or charity trustee);
- there is a system in place which ensures that all relevant checks, including an enhanced DBS check (countersigned by the Secretary of State in the case of a new Chair), are completed before or as soon as practicable after a Trustee takes up position; and
- the new Trustee understands the responsibility he / she is taking on and consents to act as a Trustee.

Each new Trustee will be properly inducted to ensure that he / she understands the nature and extent of his role and responsibilities. It is the duty of a new Trustee to ensure that he / she is familiar with the Objects of the Academy Trust; its history and ethos and the nature and extent of its activities; and the content of the Academy Trust's Articles of Association.

The Trustees shall provide each new Trustee with:

- the Academy Trust's Articles of Association
- the REAch2 Governance Charter
- these terms of reference
- the scheme of delegation to the Executive Team
- the Roles and Functions Matrix and
- the conflicts of interest policy.

New Trustees shall be required to sign the declaration set out in Annex 4.

The Clerk to the Trustees shall ensure that any appointment of a new Trustee is notified to the EFA (via the Information Exchange) within 14 days of the appointment (as required under the Academies Financial Handbook).

13 Training and development of Trustees

The Trustees shall ensure that the Board has the skills and experience needed to perform its functions effectively. Trustees shall also be kept up to date with developments in the legal and regulatory framework in which the Academy Trust operates.

The Trustees must have in place a system for evaluating Trustees, with a view to identifying potential gaps in their skills and any requirements for training. Such evaluation shall be carried out annually.

Annex 1 the Seven Principles of Public Life set out by the Committee on Standards in Public Life ("the Nolan Principles")

1. Selflessness

Holders of public office should act solely in terms of the public interest.

2. Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.

3. Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

4. Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

5. Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

6. Honesty

Holders of public office should be truthful.

7. Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Annex 2 Trustees' code of practice

1 Introduction

This code of practice is designed to set out the conduct required of trustees in order to ensure the highest standards of integrity and stewardship.

2 General responsibilities

"Trustees must act reasonably and prudently in all matters relating to the Charity and must always bear in mind the interests of the Charity. They should not let their personal views or prejudices affect their conduct as trustees." (*The Essential trustee: what you need to know (CC3)*, Charity Commission, February 2008).

"The primary duty of a trustee is to carry out the function of his or her office with the utmost good faith. He or she must be impartial and mindful of the interests of the beneficiaries of the Charity and of the objects for which the Charity is established". (*Governance and management of charities*, Andrew Hind, NCVO Publications, 1995)

Trustees should listen to the view of other trustees, staff, volunteers or external advisers respectfully, taking cognisance of differences of opinion. Trustees should not cause offence to others or undermine the standing of their colleagues as a member of the Trust Board.

3 Board papers

While the board aims to conduct its business openly, it is inevitable that some matters must be confidential either for a time or always.

All matters discussed at board meetings (save for items which are clearly neither confidential nor of a sensitive nature either legally, commercially, financially or personally) should be treated as strictly confidential and should not be discussed with anyone other than those present at the meeting when the matter in question was discussed unless authorised by the board to do so. If in any doubt, trustees should contact the chair.

4 Board meetings

Open discussion and debate is actively encouraged, in which every spectrum of objective opinion is welcomed.

As Trustees must act with probity, the Board should take and consider professional advice from internal and / or from external advisers in all decision-making.

Where consensus is not achieved, decisions will be taken during board meetings by calling for a vote by those present. Trustees who abstain on, or vote against, any motion may request an appropriate note be made in the minutes.

The Board must be accountable but delegate authority on various matters on which it is entitled to full reports as necessary.

5 Outside board meetings

Trustees should exercise restraint outside a meeting in relation to particular comments made within the Board meeting by individual members. Trustees must accept that it is inappropriate for any private or public references to "who said what", except in dialogue with other trustees.

Trustees should accept the need for care and restraint, honouring the spirit as well as the letter of the code of practice, when talking about board matters in any other forum.

6 Disagreements

Where a Trustee has a disagreement on any matter, he or she should raise the matter informally with the chair or through the normal procedures at a board meeting.

If not resolved, a trustee may request the matter be taken further by the chair.

If a satisfactory conclusion is not reached, the board may recommend the appointment of an independent mediator.

7 The Executive Team and the wider staff

Staff and Trustees are expected to deal with each other with respect and courtesy.

Trustees must ensure there is a clear understanding of the scope of authority delegated to the chief executive officer ("the **CEO**").

Having given the CEO delegated authority, trustees should be careful, individually and collectively, not to undermine that authority either by word or action.

Trustees delegate the management to the CEO, which includes the management of staff.

If a Trustee has concerns relating to the performance of a member of staff, he or she should contact the chair, who will take up the matter with the CEO.

1 Introduction

Thank you for agreeing to play a valuable role as a member of one of our Regional Boards.

REAch2 is a charitable voluntary organisation which relies on the crucial input of a considerable number of volunteers, supported by an experienced team of staff. Due to the size of the organisation and the number of schools for which it is responsible for, coupled with its drive for accountability, it is also a complex organisation with various important layers of governance. The REAch2 Governance Charter provides an overview of some of those complexities and layers as well as our principles of governance.

This constitution and terms of delegation for your Regional Board has been made by the Trustees of REAch2 Academy Trust (the **Trust Board** and the **Academy Trust** respectively) and we ask that you please read it alongside the REAch2 Governance Charter and the Roles and Functions Matrix.

2 Remit

The role of our Regional Boards is key in ensuring proper oversight and accountability within our group structure and in championing their respective academies. It is to provide focused governance for our four regions and in particular:

- to provide regional overview, scrutiny and challenge of academy education and financial performance
- to support regional/local forums for academy leaders and governors to shape and influence Academy Trust thinking and
- to ensure an effective flow of communication between the Local Governing Bodies (LGBs), the Regional Boards and the Trust Board.

The Regional Boards will work closely with their respective Regional Executive Principal, who in turn lead regional teams who develop and maintain relationship and common purpose with individual Academy teams.

The Regional Boards carry out their functions in relation to their respective regions on behalf of the Trust Board and in accordance with policies determined by the Trust Board. The act of delegation from the Trust Board to the Regional Board is a delegation of powers and duties, and not a delegation or shedding of responsibilities.

3 Intervention

The Regional Board will work closely with the Trust Board and the Executive Team and shall promptly implement any advice or recommendations made by the Trust Board or the Executive Team in respect of standards and performance, particularly where areas of weakness have been identified (either internally within the Trust or by Ofsted).

Where serious concerns in the running of a Regional Board are identified, including (but not limited to) concerns about financial matters or there is insufficient progress being made against educational targets (and those matters appear to be of a regional nature rather than a local Academy nature), the Trust Board reserves the right to review or remove any power or responsibility conferred on the Regional Board under this constitution and terms of delegation.

4 Composition of the Regional Board

Each Regional Board comprises the following members:

- the Regional Executive Principal
- Trust Board Trustee/s
- 6 Regional Ambassadors appointed by the Trust Board
- 3 elected Local Governing Body chairs
- 3 elected Headteachers and
- Up to 3 co-opted Regional Ambassadors.

The length of service of all Regional Board members shall be four years. Subject to remaining eligible to be a member of the Regional Board, any Regional Board member may be reappointed or re-elected at end of his or her term.

Every person wishing to become a Regional Board member will be required to sign a declaration of acceptance and of willingness to act as such, in the form set out in the Appendix or as prescribed by the Trust Board from time to time, and shall make disclosures for the purposes of a criminal records check by the Disclosure and Barring Service.

5 Commitment of Regional Board members

Regional Board members are asked to:

- prepare for and make an active contribution at meetings;
- champion the Academies for their region;
- familiarise themselves with the Trust's policies and the governance arrangements for the Trust;
- develop strong working relationships with the Chairs of LGBs;
- visit the Academies both during school hours (with prior arrangement with the relevant Headteacher) and for evening events to get to know the Academies; and
- attend training sessions for Regional Board members, where possible.

6 Appointment and particular responsibilities of Regional Board members

a) Chair

The Chair is appointed by the Regional Board. The term of office of the Chair is two years, but the Chair is eligible for reappointment at the end of that term. The Chair will not ordinarily be an employee of the Trust.

The Trust Board is entitled to remove the Chair from office at any time, although this would not necessarily affect the individual's position as a member of the Regional Board.

The Chair and Vice-Chair will ordinarily meet with the Regional Executive Principal and the Clerk before the start of the academic year to plan the work of the Regional Board for the year.

The responsibilities of the Chair include the following:

- to chair meetings of the Regional Board;
- to set the agenda for meetings with the Regional Executive Principal and the Clerk;
- to report to the Regional Board and the Trust Board in writing following each LGB meeting, if requested;
- to give an oral summary of the Regional Boards deliberations, if requested, at meetings of the Trust Board if requested; and
- to provide a direct link between the Regional Board and the Trust Board.

In the event of a need to make genuinely urgent decisions between meetings on matters falling within the remit of the Regional Board, the Chair of the Regional Board (or the Vice-Chair in his or her absence) in consultation with the Regional Executive Principal, shall take appropriate action on behalf of the Regional Board. The decisions taken and the reasons for urgency shall be explained fully at the next meeting of the Regional Board.

b) Vice-Chair

The Vice-Chair is appointed by the Regional Board. The term of office of the Vice-Chair is two years, but the Vice-Chair is eligible for reappointment at the end of that term. The Chair will not ordinarily be an employee of the Trust.

The Trust Board is entitled to remove the Vice-Chair from office at any time, although this would not necessarily affect the individual's position as a member of the Regional Board.

The responsibilities of the Vice-Chair include the following:

- to deputise for the Chair in his or her absence;
- to set the agenda for meetings of the Regional Board with the Chair, if requested; and
- to provide a link between the Regional Board and the Trust Board.

In the absence of both the Chair and the Vice-Chair at a meeting, the Regional Board will elect a temporary chair from among their number.

c) Regional Ambassadors

Non-executive "Regional Ambassadors" provide the appropriate skills and experience to provide effective support and challenge in the four scrutiny areas of: educational standards and performance; finance; HR; risk and audit.

The Trust Board shall appoint six Regional Ambassadors.

Up to three further Regional Ambassadors may be co-opted by the other members of the Regional Board.

It might be that a Regional Ambassador has no pre-existing links to any of the academies in the region. The Regional Executive Principal and the Headteachers

will therefore invite Regional Ambassadors to visit the academies for tours and/or events.

d) Local Governing Body chairs

Three Local Governing Body chairs shall be elected from amongst the LGB chairs within the region and in accordance with the process set out below:

- When a vacancy arises, the Chair of the Regional Board will write to all of the LGB chairs and the Headteachers within the region seeking nominees for the vacancy. (For the avoidance of doubt, a LGB chair may nominate him or herself). Nominees will be asked to provide a short statement about why they are interested in being a member of the Regional Board and their background and experience that makes them suitable for the role.
- In the event that the number of nominees equals or is less than the number of vacancies on the Regional Board, the Regional Board can choose to appoint all (or any) of the nominees.
- If there are more nominees than places available, the Chair of the Regional Board will write to all of the LGB chairs within the region asking them to vote for their preferred candidate.

A LGB chair shall cease to be a member of the Regional Board if he or she ceases to be an LGB chair unless they are appointed pursuant to a different category.

The chair of the LGB of a Lead Academy (being an academy which is both judged outstanding by Ofsted and is a teaching school) will automatically become a member of the relevant Regional Board without requiring election.

e) Headteachers

Three Headteachers shall be elected from amongst the Headteachers within the region and in accordance with the process set out below:

- When a vacancy arises, the Chair of the Regional Board will write to the Regional Executive Principal, the Headteachers and the LGB chairs within the region seeking nominees for the vacancy. (For the avoidance of doubt, a Headteacher may nominate him or herself). Nominees will be asked to provide a short statement about why they are interested in being a member of the Regional Board and their background and experience that makes them suitable for the role.
- In the event that the number of nominees equals or is less than the number of vacancies on the Regional Board, the Regional Board can choose to appoint all (or any) of the nominees.
- If there are more nominees than places available, the Chair of the Regional Board will write to all of the Headteachers within the region asking them to vote for their preferred candidate.

A Headteacher shall cease to be a member of the Regional Board if he or she ceases to be a Headteacher unless they are appointed pursuant to a different category.

f) Clerk to the Regional Board

The Clerk to the Regional Board must not be a member of the Regional Board and shall ordinarily be the Regional Governance Officer (or equivalent). In the absence of the Clerk, the Regional Board shall elect a replacement for the meeting (who may be a Regional Board member).

The responsibilities / functions of the Clerk to the Regional Board are as follows:

However, where the Chair determines there are matters demanding urgent consideration, it shall be sufficient if the written notice of the meeting states that fact and the notice, copy of the agenda and other papers are given within such shorter period as the Chair directs.

Any two Regional Board members may call a meeting by giving written notice to the Clerk, which includes a summary of the business they wish to carry out. It

shall be the duty of the Clerk to convene a meeting as soon as reasonably practicable.

The Regional Board members may invite persons who are not Regional Board members (such as a member of a committee, any employee, any pupil, any professional adviser and any experts of any kind) to attend the whole or part of any meeting for purposes connected with the meeting.

- the Regional Board has access to the appropriate equipment;
- and provided that, if after all reasonable efforts it does not prove possible for that Regional Board members to participate by telephone or video conference, the meeting may still proceed with its business provided it is otherwise quorate.

Every question to be decided upon at a meeting of the Regional Boards shall be determined by a majority of the votes of Regional Board members present and voting on the question. Votes tendered by proxy shall not be counted.

Where there is an equal division of votes, the Chair has a casting vote.

The Regional Board may act notwithstanding any vacancies, but, if the number of Regional Board members is less than the number fixed as the quorum, the continuing members may act only for the purpose of filling vacancies.

A resolution in writing, signed by all Regional Board members entitled to receive notice of a meeting shall be valid and effective as if it had been passed at a meeting duly convened and held. 11 **Stakeholder voices**

Regional Boards are asked to have regard to the voices of their various stakeholders (especially pupils, parents and staff) and to put in place arrangements to receive feedback and to respond appropriately. This includes engaging stakeholders through defined governance arrangements and more broadly.

Accessing and responding to pupils' collective concerns is an important part of the operations and governance of REAch2 academies. All schools have active pupil councils with representatives from each year group. Each LGB is expected to give due regard to issues that are raised through the Pupil Council and the management actions taken in response to the issues.

Parental voice is formally built into the governance structure with the election by parents of two parent Governors to each LGB. Staff voice is similarly built into the governance structure with the election of up to two employees of the Academy (one teacher member and one non-teaching staff member) elected by employees of the Academy to each LGB.

12 **Minutes**

The written record (once approved by the Chair of the relevant Regional Board meeting) shall be forwarded by the Clerk to the Trust Board as soon as is reasonably practicable.

13 **Delegation to the Regional Board**

The Regional Board shall have the roles set out in this section and any other role that the Trust Board agree shall be carried out by the Regional Board and that is communicated in writing to the Chair of the Regional Board.

The relationship between the Trust Board, the Regional Board and the LGB is underpinned by the principles that there should be no duplication of governance and governance should be as close to the point of impact of decision-making as possible.

The Roles and Functions Matrix which provides further clarity as to who the decision makers are for different levels of decisions should be read alongside the REAch2 Governance Charter and this constitution and terms of delegation.

14 **Key functions of the Regional Board**

1 Introduction

Thank you for agreeing to play a valuable role as a member of a REAch2 Academy's Local Governing Body.

REAch2 is a charitable voluntary organisation which relies on the crucial input of a considerable number of volunteers, supported by an experienced team of staff. Due to the size of the organisation and the number of schools for which it is responsible for, coupled with its drive for accountability, it is also a complex organisation with various important layers of governance. The REAch2 Governance Charter provides an overview of some of those complexities and layers as well as our principles of governance.

This constitution and terms of delegation for your Local Governing Body (LGB) has been made by the Trustees of REAch2 Academy Trust (the Trust and Trust Board respectively) and we ask that you please read it alongside the REAch2 Governance Charter and the Roles and Functions Matrix.

2 Remit

The role of an LGB is an important one. It is to provide focused governance for the Academy at a local level and it is the intention of the Trust Board to ensure that the responsibility to govern the Academy is vested in those closest to the impact of decision-making. The LGB monitors the Academy's key performance indicators and acts as a critical friend to the Headteacher and the Academy's senior leadership team, providing challenge where appropriate.

The LGBs carry out their functions in relation to their respective Academy on behalf of the Trust Board and in accordance with policies determined by the Trust Board. The act of delegation from the Trust Board to the LGBs is a delegation of powers and duties, and not a delegation or shedding of responsibilities.

3 Intervention

The LGB will work closely with the Regional Board and the Executive Team and shall promptly implement any advice or recommendations made by the Regional Board or the Executive Team in respect of standards and performance, particularly where areas of weakness have been identified (either internally within the Trust or by Ofsted).

The Trust Board reserves the right to review or remove any power or responsibility conferred on the LGB under this constitution and terms of reference, in particular, in circumstances where serious concerns in the running of the Academy are identified, including where:

- there are concerns about financial matters;
- there is insufficient progress being made against educational targets (including where intervention by the Secretary of State is being considered or carried out);
- there has been a breakdown in the way the Academy is managed or governed; or
- the safety of pupils or staff is threatened, including a breakdown of discipline.

Where necessary, the Trust Board will put in place for an appropriate period of time an intervention board whose responsibility it will be to address the areas of weakness.

4 Composition of Local Governing Bodies

Each LGB comprises a maximum of twelve members (which we refer to as **Local Governors**), including:

- the Headteacher of the Academy;
- up to four members appointed by the Trust Board;
- at least two elected parents or guardians of a pupil at the Academy (**Parent Local Governors**);
- up to two employees of the Academy, usually comprising one teacher and one non-teaching staff member, elected by employees of the Academy (**Staff Local Governors**); and
- up to three members co-opted by the Local Governors.

Each LGB shall have a Chair and a Vice-Chair.

The length of service of all Local Governors and the Clerk to the LGB shall be four years. Subject to remaining eligible to be a Local Governor, any Local Governor may be reappointed or re-elected at the end of his or her term.

Every person wishing to become a Local Governor will be required to sign a declaration of acceptance and of willingness to act as a Local Governor, in the form set out in Appendix 1 or as prescribed by the Trust Board from time to time, and shall make disclosures for the purposes of a criminal records check by the Disclosure and Barring Service.

With regard to St Mark's Church of England Primary Academy, foundation governors nominated by Southwark Diocesan Board of Education and notified as such to the Trust Board will form at least 50% of the members appointed by the Trust Board and the Incumbent will by virtue of their position be a member of the LGB.

5 Commitment of Local Governors

Local Governors are asked to:

- prepare for and make an active contribution at meetings of the LGB;
- champion the Academy in the local community;
- familiarise themselves with the Academy's policies;

- visit the Academy both during school hours (with prior arrangement with the Headteacher) and for evening events to get to know the Academy and to be visible to the Academy community; and
- attend training sessions for Local Governors, where possible.

6 Stakeholder voices

LGBs are expected to have regard to the voices of their various stakeholders (especially pupils, parents and staff) and to put in place arrangements to receive feedback and to respond appropriately. This includes engaging stakeholders through defined governance arrangements (including elected parent and staff governors on the LGBs) and more broadly.

Accessing and responding to pupils' collective concerns is an important part of the operations and governance of REAch2 academies. All schools have active Pupil Councils with representatives from each year group. Each LGB is expected to give due regard to issues that are raised through the Pupil Council and the management actions taken in response to the issues.

7 Appointment and particular responsibilities of Local Governors

a) Chair

The Chair is appointed by the Local Governors. The term of office of the Chair is two years, but the Chair is eligible for reappointment at the end of that term.

The Trust Board are entitled to remove the Chair from office at any time, although this would not necessarily affect the individual's position as a Local Governor.

The Chair and Vice-Chair will ordinarily meet with the Headteacher of the Academy and the Clerk (and the Regional Executive Principal if available) before the start of the academic year to plan the work of the LGB for the year.

The responsibilities of the Chair include the following:

- to chair meetings of the LGB;
- to set the agenda for meetings with the Headteacher and Vice-Chair;
- to report to the Regional Board and the Trust Board in writing following any LGB meeting, if requested;
- to give an oral summary of the LGB's deliberations, if requested, at meetings of the Regional Board and the Trust Board; and
- to provide a direct link between the LGB and the Regional Board.

In the event of a need to make genuinely urgent decisions between meetings on matters falling within the remit of the LGB, the Chair of the LGB (or the Vice-Chair of the LGB in his or her absence) in consultation with the Chair of the Regional Board, shall take appropriate action on behalf of the LGB. The decisions taken and the reasons for urgency shall be explained fully at the next meeting of the Regional Board and of the LGB.

b) Vice-Chair

The Vice-Chair is appointed by the Local Governors. The term of office of the Vice-Chair is two years, but the Vice-Chair is eligible for reappointment at the end of that term.

The Trust Board is entitled to remove the Vice-Chair from office at any time, although this would not necessarily affect the individual's position as a Local Governor.

The responsibilities of the Vice-Chair include the following:

- to deputise for the Chair in his or her absence;
- to set the agenda for meetings of the LGB with the Chair, if requested; and
- to provide a link between the LGB and the Regional Board.

In the absence of both the Chair and the Vice-Chair at a meeting, the LGB will elect a temporary chair from among their number.

c) Staff Local Governors
